

Installing Citrix Receiver for MAC

Brows to <http://webportal.dot.state.mn.us> click on the Citrix Clients Link.

The screenshot shows the MnDOT WebPortal Access page. At the top, there is a navigation bar with the MnDOT logo and the text "MINNESOTA DEPARTMENT OF Transportation". Below the navigation bar, the page title is "MnDOT WebPortal Access" with a sub-header "Download Citrix Clients". There are links for "Webportal Home", "Citrix Clients", "FAQs", and "Contact Us".

User guidelines

Recommended browser for WebPortal Access is Internet Explorer

You need to download the Citrix Client software for your device before installing or downloading any apps. [View or print WebPortal user guidelines](#) (PDF)

Citrix client

Windows

- [Client](#) (EXE)
- [Instructions](#) (PDF)

MAC

- [Client](#) (DMG)
- [Instructions](#) (PDF)

Linux

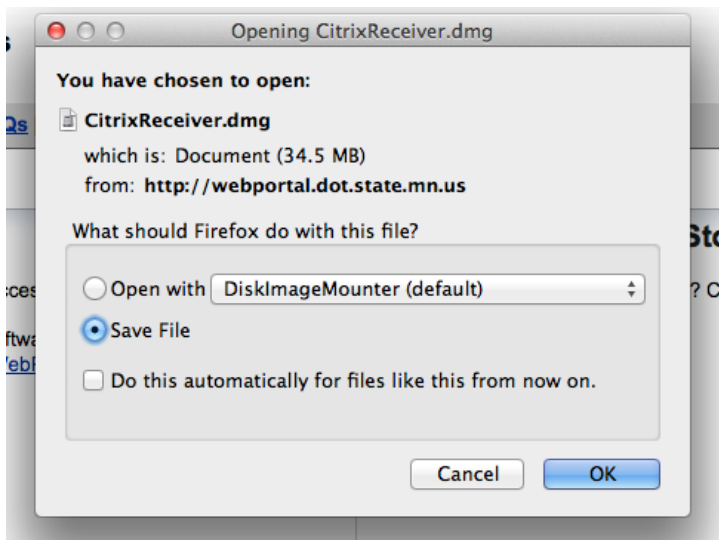

- [Client](#) (ZIP)

Download from App S

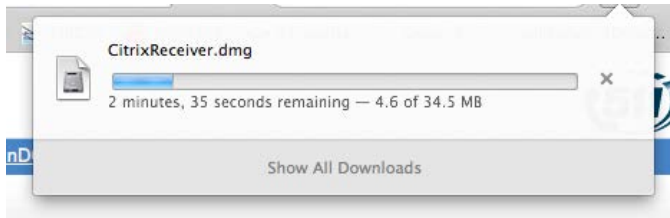

Need an app for your mobile device?
